

# LINE MOUNT VALVES

## SINGLE PILOT OPERATED CHECK VALVES

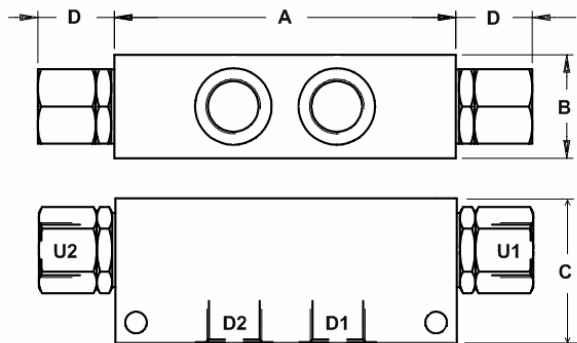

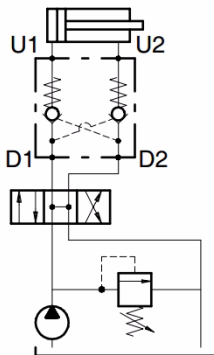

Steel body  
Suitable for mounting direct to a cylinder.

| Part No.           | Ports BSPP | Max. Pressure BAR | Standard Pilot Ratio | Optional Pilot Ratios | Dim. (mm) |    |    |    |      | Nom Flow L/min |
|--------------------|------------|-------------------|----------------------|-----------------------|-----------|----|----|----|------|----------------|
|                    |            |                   |                      |                       | A         | B  | C  | D  | E    |                |
| VBPSL-14/P4/PA4/AC | 1/4"       | 350               | 4:1                  | 3:1                   | 70        | 30 | 40 | -  | 14.5 | 15             |
| VBPSL-38/P4/PA4/AC | 3/8"       |                   | 4:1                  | 6.3:1,7.5:1           | 90        | 35 | 50 | 22 | 30   | 35             |
| VBPSL-12/P4/PA4/AC | 1/2"       |                   | 4:1                  | 6.3:1,7.5:1           | 90        | 35 | 50 | 22 | 30   | 50             |
| VBPSL-34/P4/PA4/AC | 3/4"       |                   | 4.3:1                | nil                   | 130       | 50 | 70 | 28 | 37   | 100            |

## DOUBLE PILOT OPERATED CHECK VALVES

Steel body  
Suitable for mounting direct to a cylinder.

| Part No.           | Ports BSPP | Max. Pressure BAR | Standard Pilot Ratio | Optional Pilot Ratios | Dim. (mm) |    |    |      | Nom Flow L/min |
|--------------------|------------|-------------------|----------------------|-----------------------|-----------|----|----|------|----------------|
|                    |            |                   |                      |                       | A         | B  | C  | D    |                |
| VBPDL-14/P4/PA4/AC | 1/4"       | 210               | 4.5:1                | 2.5:1                 | 81        | 30 | 40 | 14.5 | 15             |
| VBPDL-38/P4/PA4/AC | 3/8"       |                   | 4:1                  | 6.3:1,7.5:1           | 110       | 35 | 50 | 30   | 35             |
| VBPDL-12/P4/PA4/AC | 1/2"       |                   | 4:1                  | 6.3:1,7.5:1           | 110       | 35 | 50 | 33   | 50             |
| VBPDL-34/P4/PA4/AC | 3/4"       |                   | 4.3:1                | nil                   | 165       | 50 | 70 | 37   | 100            |
